Amanda:

Hi – I hope you are feeling better. Mark McCasland is leaving soon and Juan Ibarra is taking his place. I wanted to connect the two of you so information can be shared. Juan will be the new Liaison Officer and thus the logical point of contact once we no longer have CICs on the ground.

Good Luck with everything and feel free to let me know how things are going. Thanks again!!

Hi all,

Thanks Tonia for making this connection. As an FYI, there is a slightly updated version of this factsheet that is available on the Gold King Mine website, so please use that factsheet if you need it.

It has been wonderful coordinating with Tonia, and I look forward to continuing to keep in touch with Region 6.

Best,

Amanda

Mark:

As the Liaison officer I thought this might be of interest to you. Amanda is with another CIC from R9 and we are talking daily. Lisa and I last work day is Monday and after that if we have no CIC's then I want to connect you with Amanda to bridge the communication between regions.

Take care!!

Subject: Region 9 Gold King Mine factsheet

Hi all,

Attached is the final factsheet that Region 9 is using for our outreach on Navajo Nation. Please pass this along to people I might have forgotten (trying to keep track of a million things, as you might imagine).

Laura, can you pass this along to folks at NN EOC? Yolanda, can you pass this on to Chris from Region 8?

Thanks all, especially for your assistance in passing along.

Best,

Amanda
